1. The average length of stay in Hospital, 22·15 days. The average cost per patient, £9 6s. 2d. The average cost per patient per day, 8/4. The daily average number of beds occupied, 10·3.

Motor Ambulance

2. Thanks to the Red Cross Society, the Committee of the Hospital have been able to afford facilities for the use of the Red Cross Motor Ambulance in the Town and District when required. The Car has been used on 28 occasions, the distance covered being 541 miles, at a cost to the persons using the same, sufficient only to cover the actual running expenses.

Donations

3. The Committee are grateful for the Donations received from Hospital Saturday Fund, from the Engineers' Cup Competition, from the Hospital Cup Competition, and from all other Entertainments and Charities, etc., and thank those who have helped in anyway to make this source of income so satisfactory.

Gifts

4. The Committee acknowledge with gratitude the following gifts made to the Hospital during the year:—Two cots given by Miss Boulton, of Tew Park. A complete set of babies' linen given by the Women's Institute, of Great and Little Tew. Surgical appliances and other useful articles given by Mrs. D. Samuda, of Bruern Abbey. Special thanks are offered to the Ladies' Working Party of the Baptist Church and the Oxfordshire Needlework Guild for their continued generosity shown by their gifts of linen and other things.

5. The Committee sincerely thank all Friends who have sent presents of Clothing, Eggs, Fruit, Flowers, Vegetables, Books and other useful things for the patients, and ask for a continuance of these gifts.

Egg Day and Pound Day were very successful and the Committee are indebted to Mrs. Daly for organizing these special days.

Wireless Fund

6. The Committee have much pleasure in stating that a 3-valve Marconi Wireless Set is now installed in the Hospital, and would like to thank all the patients and other friends who have made it possible to put it in free from debt.

Extension Fund

7. The Committee note with gratitude the donations given towards this fund from the maternity patients of the Hospital and from other friends, and beg for a continuance of their help. The great increase in the number of maternity cases during the past year has proved the need for more suitable accommodation than the present arrangements can give. The Committee have therefore most carefully considered the question, and after a thorough investigation of the matter, have decided to instal a Maternity Ward over the Outpatients' block. Any help by means of donations or other gifts will be very welcome.

8. The Collections made at various Places of Worship during the year amounted to £37 8s. 3d. The amount collected in the Collection Boxes was £6 7s. 4d. The Committee offer their best thanks to all those who have helped towards this source of income. They make a special appeal to all collectors to make greater efforts in the future, and would be very grateful for such help.

2d. Weekly Contribution Scheme

9. This Scheme has yielded £301 16s. 11d. this year, and the Committee wish to thank Mr. Hubert Burden, the recent Hon. Secretary, and all helpers for the assistance they have rendered in the work of the Scheme. The Hon. Secretary attends at the Hospital on the first Monday of each Month from 7 to 8 p.m., to receive contributions. It is hoped that all wage-earners who have not already availed themselves of this opportunity of becoming regular subscribers to the Hospital, will do so, and secure free nursing and maintenance at the Hospital or free medical treatment, nursing and maintenance at the

Radcliffe Infirmary and County Hospital. The following treatments have been given to Weekly Contributors during the past year:—In-Patients 52, Beds occupied 1610; Out-Patients 14, Treatments given 285; X Ray Patients 28, Photographs taken 50; Massage & Electricity Patients 12, Treatments given 377.

Nursing and Medical Staff

10. The Committee are pleased to record their appreciation of the efficient manner in which the Matron and her Staff have maintained the high standard of the Hospital.

11. In concluding this report, the Committee tender their most appreciative and grateful thanks to Mr. Bevers, M.A., M.B.B.Ch. Oxon, F.R.C.S., Hon. Surgeon, Mr. Girdlestone, M.A., B.M., F.R.C.S., the Medical Staff, the Hon. Auditors, Messrs. M. K. Pearson and B. H. Gibbs, Hon. Solicitor, Mr. S. G. Farrant, Hon. Treasurer, Mr. T. E. Davis, Hon.
